## COURSE DESCRIPTION/SUMMARY

This qualification reflects the role of individuals who apply project management skills and knowledge in a wide variety of contexts. The job roles that relate to this qualification may include Contracts Officer, Project Administrator or Quality Officer.

Individuals in these roles work autonomously, and might be members of a project team, with no direct responsibility for overall project outcome. Primarily, these roles would support wider project operations. They may use project tools and methodologies selectively to support organisational or business activities.

---

## WORK PLACEMENT (Experience)

This qualification does not require mandatory work placement. However, Australian College recommends students to have access to a real office work environment for them to practice and complete assessment tasks using specific software and equipment.

While Australian College will support this by providing the student with a 'Work Experience Agreement' including a logbook of all hours performed in the workplace as well as the tasks to be completed, it is the student's responsibility to find a workplace where they can experience practical applications of accounting administration and complete assessment tasks.
